

AMS

Applied Material Solutions

Food-Grade and Industrial Antifoams & Defoamers

• **Hydrophobic Treated Silicas** • **Colloidal Silicas**

Corn Oil Separation Aids/Emulsion Breakers • **Food Barrier Coatings**

Refractory Ceramics • **Silicone Emulsions** • **Cleaning Compounds**

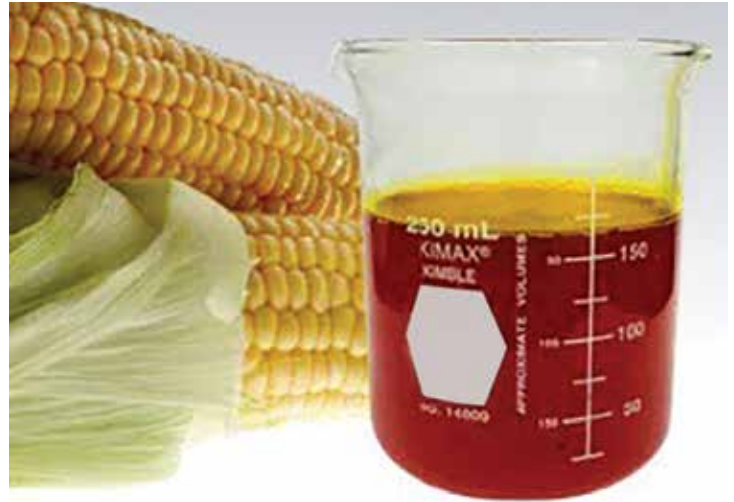

Developing Products for **What You Need** Today and Tomorrow

Our facilities are equipped with world class technology and knowledgeable experts who develop and produce the best products in the industries we serve. Our teams communicate quickly and collaborate efficiently, focused on providing solutions and boosting customer productivity.

We proudly serve a wide variety of industries and strive to understand each client's needs and specifications when designing the best formulas for our customers' applications. Our team completes detailed research prior to development to ensure every product performs better than the last.

AMulSion COD Demulsifiers

Saving You **Time and Money**

One of our biggest goals is keeping your total costs low. Unlike other chemical product manufacturers, we maintain a high inventory of raw material and finished goods. You'll see significant savings by reducing your inventory and total costs. Give us a call to learn about our bulk options.

Always Delivering **When You Need Us**

Our production capabilities ensure rapid delivery for our products. They ship fast, streamlining your workflow. We can provide bulk transportation and several different container options to best suit your needs.

Producing the **Best Products** for Our Customers

In addition to a high level of research & development, Applied Material Solutions owns and operates its own manufacturing operations; producing high quality, cost effective products for our customers.

Manufacturing Excellence

Our **Product Line** Includes:

- Food-Grade and Industrial Antifoam & Defoamers
- Hydrophobic Treated Silicas Fumed & Precipitated
- Colloidal Silica
- Corn Oil Separation Aids
- Barrier Coatings for Food Packaging
- Refractory Ceramics
- Silicone Emulsions
- Cleaning Compounds
- And More

Industries We Serve

- Food Processing & Agribusiness
- Coatings, Adhesives, Sealants & Elastomers (CASE)
- Concrete, Investment Casting, Refractory, Vacuum Forming
- Water Treatment
- Fuel Ethanol
- Pulp & Paper
- And More
